

Growth Capital Investment Intern

Standout Capital is offering a part-time internship position in Stockholm. Candidates should be available for at least 6 months - starting in the first quarter of 2020.

Standout Capital is a Stockholm-based private equity firm investing in fast growing Nordic technology companies. As an active owner, our mission is to partner with outstanding entrepreneurs and companies to support their growth journeys. Our investment team build on experience in entrepreneurship, investments and finance and our investors are leading financial institutions. We are currently investing from our first fund of SEK 1 billion.

This internship offers a unique opportunity to be a part of our team of hands-on investment professionals and develop skills necessary for a successful career within private equity, management consulting, investment banking or entrepreneurship. You will be exposed to all steps of the investment cycle including sourcing high quality companies, investing and developing our portfolio companies. You will further get valuable insights into best practices for building successful technology companies and learn from key initiatives to support and drive growth.

Your responsibilities will include:

- Gather and analyse financial and operating data concerning Nordic software and technology companies
- Perform structured market research, analyse industries and make thematic company mappings
- Support the investment team with insights and contribute to make more informed investment decisions
- Create and update financial models. Building skills in financial analysis and valuation
- Take responsibility for ongoing portfolio companies reviews
- Draft presentations and IM materials for our Investment Committee
- Attend team discussions

Key traits of a successful applicant:

- Completed 2nd year studies within business or engineering
- Strong academic record
- Previous internship with investment company, within investment banking, management consulting and/or successful tech companies/startups
- Hands-on attitude, an entrepreneurial drive and willingness to make an impact
- Analytical with strong numerical skills and can work independently
- Proficiency in Microsoft Excel and PowerPoint
- Ability to communicate efficiently in English and one Nordic language

You will be based in our Stockholm office (Biblioteksgatan) and work directly with our investment team.

Please send your application to nathaly.fonseca@standoutcapital.com, including your CV, grades and a brief motivation why you want to work with us. The deadline for the application is Monday 16th of December but we will invite for interviews on an ongoing basis.
